

Full Fee Paying Overseas Students Extreme Hardship Application Procedure

Marymede Catholic College is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools (MACS).

MACS requires Full Fee Paying Overseas Students (FFPOS) to pay fees for instruction, educational and other related services provided to the student by the school according to the MACS Enrolment Procedures for Schools and the Schedule of Visa Subclasses and Conditions for Enrolment in Schools of Overseas Students.

MACS may consider temporary fee reduction/exemption based on extreme financial hardship for any FFPOS student enrolled in a Catholic school in the Archdiocese of Melbourne where the exemption criteria are met.

Purpose

This FFPOS Extreme Financial Hardship Application Procedure outlines how extreme financial hardship is defined for FFPOS enrolled in MACS schools. The criteria outlined are intended to provide guidance for circumstances that constitute extreme financial hardship to inform the assessment of applications for exemption from any payment of tuition and associated fees for FFPOS.

Criteria

Applications for any temporary fee reduction or fee exemption for tuition fees and related services will be considered by the MACS FFPOS Committee if the evidence provided to the MACS FFPOS Committee confirms that the relevant FFPOS is facing extreme financial hardship.

Circumstances need to be demonstrated through the provision of evidence that clearly confirms:

- that the applicant is experiencing extreme financial hardship
- that the extreme financial hardship is caused by something unforeseen and has had a direct and significant impact on the primary income earner's ability to pay the student's fees.

Circumstances include:

- the sudden recent death of a family member
- unexpected severe injury or illness of the primary income earner or family member
- economic collapse of student's home economy
- social unrest in student's home country
- natural disaster in student's home country
- loss of government sponsorship of parent.

Other cases will be considered only in exceptional circumstances on a case-by-case basis.

The following circumstances would not be defined as extreme financial hardship:

- migration agent costs
- costs incurred for further visas/permanent residency
- cost of living, including while waiting for a decision on further visas/permanent residency
- tuition costs for main student visa holder or any dependant of the main student visa holder (i.e. the parent's tuition fees)
- business failure

- stock market instability
- no knowledge by the student's family that dependant fees were payable.

Application Procedure

1. Parent/guardian/carer to gather supporting information.
2. Parent/guardian/carer to apply for fee reduction or exemption directly to a MACS school, using the FFPOS Extreme Financial Hardship Application, with all supporting information.
3. School to consider the application and, where this is endorsed, submit the FFPOS Extreme Financial Hardship Application, with all supporting information to the MACS FFPOS Committee.
4. MACS FFPOS will consider the application and communicate the outcome of the application to the school principal in writing.
5. Parent/guardian/carer advised of the outcome by the school principal. Where an application for exemption from any payment of tuition and associated fees is not granted, the applicant will be advised of the payment plan based on financial hardship. Where this is not accepted the enrolment will be withdrawn.
